

BEAVER RANCH Bark Park

"Donate a Foot of Fence" Campaign

What is it?

Beaver Ranch is a 446-acre community park located on Foxton Road in Conifer. Our mission is to facilitate both active and passive recreation opportunities. We have been approached by a number of residents who wish to have a safe place for their dogs to play and socialize and who want their dogs to be able to run and exercise without violating the county's strict leash laws. **Therefore Beaver Ranch plans to install a 2.5 acre fenced offleash dog park within the park grounds.** We have identified an area that offers varied terrain, water, shade, and plenty of running opportunities!

Why participate?

Beaver Ranch is a 501(c)(3) organization and receives no direct tax dollars for either operations or capital improvements. We rely on private donations for projects like this one. We are seeking private sponsors to make the bark park a reality. **Without your support, the Bark Park won't happen.** Installation can begin as soon as funding is available.

What will the money go towards?

The Bark Park committee will coordinate fencing installation, resulting in a substantial savings. Donations will be used for the purchase of fencing materials, signage, gates, insurance, poop bags, etc. We have leveraged in-kind donations for items such as site leveling and preparation and discounts on materials. *NOTE: Your donation is tax-deductible to the extent allowed by law.*

Donate a foot of fence!

The Bark Park will require ~3,000' of fencing. The fence will be wood post and rail fencing with 5' wire mesh. All told, each foot of fence will cost ~\$5 to purchase and install. JOIN THE "FOOT OF FENCE" CAMPAIGN and donate 1, 5, 10, 100 feet or more to help us reach our goal of \$15,000. **In return, each individual foot of fence will be marked with a small plaque noting the name of the donor.** *Those who sponsor 100' or more will also be recognized on a large sign at the entrance to the bark park.*

We would also welcome you as a member of the bark park committee if you'd like to be involved. Please call Ashley at 303-816-7439 to volunteer.
