

BEAVER RANCH PUBLIC PLAYGROUND

What is it?

Beaver Ranch is a 446-acre community park located on Foxton Road in Conifer. Our mission is to facilitate both active and passive recreation opportunities. In spring 2004 Beaver Ranch will level an area for future installation of a sports/activity field. As part of the activity field complex we will install a public playground with components appropriate for a range of ages (2-5 and 5-12). This playground will be open daily, free of charge, to the entire community and is an integral part of the activity field complex.

Why participate?

- As you may know, there are no public playgrounds in the Conifer area outside of the ones available on a limited basis at the schools. Even when available, the school playgrounds aren't aimed at younger kids.
- Beaver Ranch receives no direct tax dollars for either operations or capital improvements. All funding for projects such as this one must be raised from private sources. We are seeking private sponsors to make the playground a reality. Without your support, this playground won't happen.
- Installation can begin as soon as the leveling is complete and funding is available—we hope to have our mountain kids playing by this summer!

What will the money go towards?

The playground committee will coordinate playground installation, resulting in a 30-35% savings. Donations will be used for purchase of materials including components, safety surface, fencing, etc. We have leveraged in-kind donations for items such as site preparation and discounts on materials. *Beaver Ranch Community is a 501(c)(3) organization and your donation is tax-deductible to the extent allowed by law.*

Sponsor Opportunities:

Anyone can contribute!—businesses, community organizations, families, and/or individuals. Sponsors may donate a contribution to be put towards the current phase of the project OR may sign up to sponsor an individual component. (Please see the following page for some of the components we hope to install.) If you'd like to contribute, return the form on the last page. All sponsors will be recognized at the park; anonymous contributions are welcome, too.
